

# Enagic® E8PA Family Club Pass!

Take advantage of benefits of E8PA membership!!

Enagic 8 Prosperity Association

# Purpose of E8PA

For the past 25 years, Hironari Ohshiro, a native Okinawan born and raised in Sedake of Nago City, has been providing products and program (the patented 8-point business model) which have been changing lifestyles of many people at any given time across the globe.

# Purpose of E8PA

E8PA members can freely use the E8PA facility and gain first-hand experience of the roots of Enagic as well as enjoying the benefits of the Resort.

# Purpose of E8PA

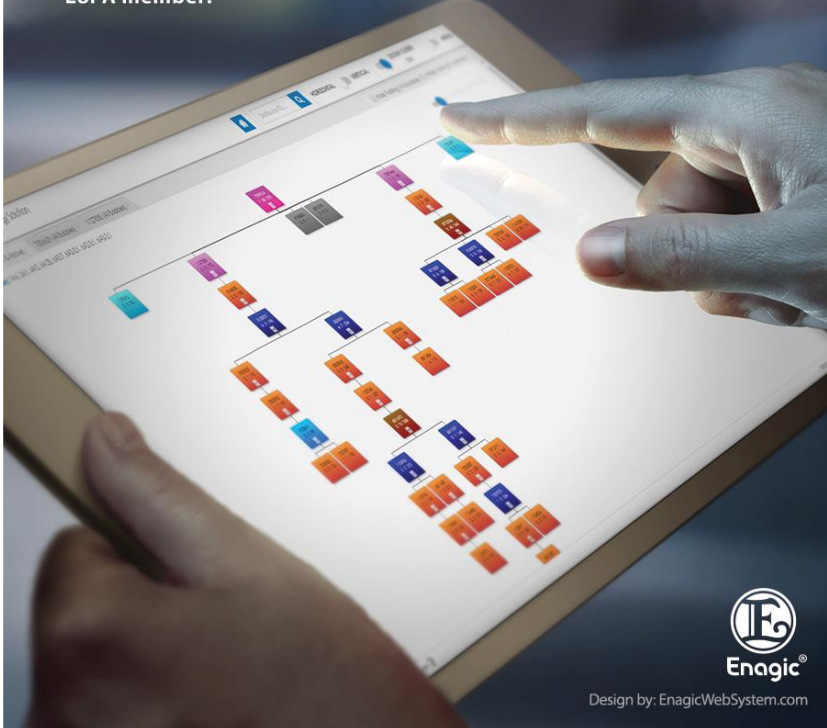

E8PA program, including its ***E-point & Online Back-Office***, has been developed to bring success in Enagic business to our Valued distributors.

## ONLINE GENEALOGY

Are you ready to leverage technology to grow your Enagic business?  
As an E8PA member, you'll automatically enjoy access to a select member's only online genealogy, all from your computer or tablet!  
It's simple, effective, visually-exciting and YOURS just for being an E8PA member!

**When you purchase a E8PA Card,  
You start collecting E-Points right away!**

# E-Point System

- After enrolling in the E8PA program, distributors start to earn E-points from their own card purchases and downlines' sales (machine/ukon/E8PA card).
- 6A2 and above E8PA members also earn E-points from their group sales
- E-points can be redeemed for travel expense for trips to Okinawa and Osaka to visit our Enagic Facilities, and for trips to attend the Enagic Global Convention and Meetings worldwide.
  - If membership is not renewed, the accumulated E-points will be invalid upon expiration
  - Accumulated E-points are valid for 3-year period as long as membership is renewed timely.
  - E-points are transferable to the family or downline E8PA members

# Terms & Condition

## Purchase of E8PA Membership Card

- Placed directly under your main account as your current rank
- For Machine/Ukon Distributors only. TOKUREI distributors are not qualified.
- Generates 8-point commissions (pass-up)
- Counts as a sale (1 unit)

## However...

- Does not retain SP status
- Does not affect D0/F0 status

# Terms & Condition

- ✓ Valid for one year from date purchased.
- ✓ Card can only be used by the registered owner and immediate family member.
- ✓ Card is non-transferrable.  
(Lending, Renting or selling are strictly NOT allowed)
- ✓ Card is not a debit or credit card.

# Purchase Agreements

- ✓ E8PA membership is for distributors who have already been registered with machines or Ukon purchase.
  - ✓ One card purchase for one distributor ID.
  - ✓ E8PA card is issued under an individual name even if the original account is registered as a corporation.
  - ✓ Commissions on E8PA card will be distributed to upline E8PA members.
- \*Distributors without E8PA card are passed up.

# Purchase Agreements

- ✓ E8PA Card holders can earn E-Point for their 8P sales and group sales.
- ✓ E8PA Card holders can transfer their E-Point to their family members or downline distributors.
  - \*Family members can utilize Enagic affiliated facilities for free as well as E8PA Cardholders.
- ✓ E8PA Card holders can use E-Point to visit E8PA facilities besides company hosted events. (Including the trip to E8PA and Osaka Factory)
- ✓ E8PA Card holders can upgrade their E8PA card. Supported throughout membership term with receipt of the difference in fee between the existing and the membership desired to be upgraded. Upgrading membership does not affect the expiration date of existing membership term.

# Q & A

Q1: How can I redeem my E-Point for travel expenses to attend Enagic events?

A: Please send copies of your travel expense receipts to your corresponding office. We will deduct accumulated E-point from your account and give you reimbursement.

Q2: Who should we contact to regarding lodging and E8PA facilities reservation?

A: Please contact E8PA HQ.  
[e8pa@enagic.com](mailto:e8pa@enagic.com)

Q3: How can I check my updated E-point?

A: You can check your E-point status at Distributor Support Portal.  
<https://information.enagic.com>
